

## AIR FORCE FAMILY CHILD CARE (FCC) PROVIDER'S HEALTH ASSESSMENT

Initial Health Assessment

Renewal Health Assessment

FCC Applicant/Provider's Name \_\_\_\_\_

In accordance with Air Force Instruction 34-276, *Family Child Care Programs*, paragraph 1.10.3, providers "Are physically and mentally capable of providing care" and paragraph A6.14.10, "The provider has a documented physical examination at least every two years." This "health assessment" should be related to the duties and activities of caring for children. The following includes but is not limited to activities FCC Providers may be required to do in order to fulfill the responsibility of a child care provider. FCC Providers need to move quickly to supervise and assist young children; lift children, equipment, and supplies; sit on the floor and on child-sized furniture; eat the same food as that served to the children (unless the FCC Provider has dietary restrictions); hear and see at a distance required for supervision or driving; be absent from work for illness no more often than a typical adult, and be able to provide continuity of care giving relationships for children in care. **NOTE: FCC Provider must be seen by a health care professional; a review of the FCC Provider's medical record does not suffice.**

Date of Physical Examination \_\_\_\_\_

**FCC Providers must be in good health in order to provide a nurturing and stable environment for children. Based on your professional examination:**

This patient is cleared to work with children.

This patient has not been cleared to work with children.
